To provide and sustain an inclusive, stimulating and supportive community of skilled and creative learners which enhances opportunities and pathways, personal growth and well-being of all its members.

Located on Vines Road!

State of the art educational facilities becoming a reality before our eyes – extremely exciting times!

This $42 million investment in education at Western Heights College, ready for the 2015 school year, provides facilities for students to continue to excel –

Science Facilities – 4 separate science specialist areas

Performing Arts Facility – performing arts / lecture theatre with tiered seating, dance and performance spaces, ballet bar, change areas, excellent in lighting and sound, specialist music and instrumental music learning / practice spaces

Food Facility – 2 state of the art kitchens, café and dining areas

Excellent learning spaces to support learners in this 21st Century!
