UPCOMING EVENTS:

- **Wednesday 4 May**: Cross Country
- **Monday 9 May**: School Council Meeting - 7.00pm
- **May 11 to May 13**: Year 8 Camp
- **May 18 to May 25**: Big Science Competition
- **Monday 13 June**: Queens Birthday Public Holiday

FROM THE COLLEGE PRINCIPAL - SCOTT DELLAR

TERM 2 2016:

We would like to welcome all students back to school for Term 2, 2016. Can we especially welcome our new students to the College across all Year 7 -12 levels; we trust the move to our school is a pleasurable and rewarding experience both for yourself and your families. If you have any queries or would like to make an appointment to discuss any points in relation to your child’s chosen pathway or learning, please do not hesitate to contact our college office or class mentor teacher.

ANZAC COLLEGE CEREMONY
WESTERN HEIGHTS COLLEGE

At 11:00am on Friday, April 22 Western Heights College held a special assembly that commemorated the 101st Anniversary of the initial landing of our troops on the shores of ANZAC Cove in 1915, as well as the 50th Anniversary of the Battle of ‘Long Tan’ (Vietnam War) with a moving student led service.

The ANZAC Legacy

‘May they all rest proudly in the knowledge of their achievement, and may we and our successors in that heritage prove worthy of their sacrifice.’
Lest We Forget.

During this important College occasion, a number of our 2016 College Student Leaders recited readings and poems that acknowledged the ANZAC legend and sacrifices made during our involvement in various world conflicts. Students and staff from Herne Hill Primary School, as our College guests, also actively participated in various parts of this important college event. Sensational stuff, well done.

I would like to acknowledge the work of Bailey Pilgrim and Hope Chernih (Year 12 students) who completed the task as Masters of Ceremony, and were extraordinary in setting the tone for this significant assembly. Students from the Geelong Army and Navy Cadet Units were also prominent parts of this ceremony, performing their roles in an outstanding manner.

Special thanks to Mr. Lu Temelkovski and his student group for organising and co-ordinating this significant college and community occasion. Much appreciated.

Feedback from community members who were in attendance has been glowing in their praise of our students. Congratulations to all students and staff who willingly accepted this opportunity to assist with this remembrance service. You certainly did the College proud.
Well done!
A REMINDER: CHANGE TO SCHOOL SESSION TIMES FOR TERM 2
Some minor modifications to the recess and lunch breaks have taken effect in term 2.
The changes have extended recess from 20 => 30 minutes; while lunch has been reduced from 60 => 50 minutes. The modified session times are as follows; please be aware of details highlighted below:

WHC Session Times / Term 2 implementation

COMING UP – TERM 2:

Senior boys & girls Football – Tuesday, May 3
Cross Country – Wednesday, May 4
Intermediate Boys Football – Thursday, May 5
Year 8 Term 2 sport: boys Football, girls Netball, Badminton & Year 7 Soccer – Tuesday, May 17
Year 7 Term 2 sport: boys Football, girls Netball, Badminton & Year 8 Soccer – Thursday, May 19
Junior girls Football & junior & inter boys Netball – Tuesday, May 31

On Tuesday, April 26 we had our second carnival for the year. The themes for each house was miscellaneous but in the colour of your house.
The colour and costumes on the day were fantastic and many people had put a lot of time and effort into this. Some of the stand outs were The Trophy girls, clowns and cheerleaders.
It was a beautiful sunny day and everyone was happy to be out in the sunshine. The program began at 10.00am which saw house leaders, competitors and staff spring into action. It was great to hear all of the cheering in support of those participating.
There were a huge number of records broken on the day. A full list of events with times, distances and records will be on the homepage for you to see.
The events were completed by 2.30pm and the very last relay was staff in each house vs quite a few student teams. It was a very close finish.
Results were as follows:
ATTENDANCE:
We have high expectations that every student attends every day at Western Heights College. There are always going to be days where some children are unwell or there are circumstances out of the families control when a child cannot make it to school. We appreciate parents communicating this information to us. Thank you to parents who have informed us of known absences by writing a note in the planner or calling your child’s Mentor Teacher.
If children have unnecessary absences from school when they could otherwise be here, they are going to miss 5 hours of learning each day of absence. This puts further pressure on students and they can quickly fall behind. If you need support with getting your child to school, please do not hesitate to contact your child’s Mentor Teacher who will assist in providing strategies for them to attend regularly.

UNIFORM:
I congratulate Year 7 students on their organisational skills and commitment to our college uniform. They have looked professional and very smart all year. Year 8 students have been well organised and need to be reminded that leggings are not a part of the school PE uniform. With winter coming up, just a reminder that leggings on their own are not the winter uniform. There have been embarrassing moments in the past where leggings have ripped. Girls must wear stockings with their winter uniform, not leggings. On the rare occasion whereby the uniform is unable to be worn or an item of clothing or shoes have broken, please write a note in the student planner for the day the item is an issue. Students then have two days grace to fix the item.
I thank all students and families for the smooth transition regarding piercings.

SLATES & SAFETY:
Year 8 students are leading the way with the 100 per cent take up of slates, bringing them to school each day this term. Well done.
It has been fantastic to see that we have 96% of students with their slates at school, 100% of the time. Another reminder that when we use our slates, we sit at a table, not the floor. I would like to remind all students to ensure that they are fully charged at the beginning of each day so they can maximise their days learning. I would like to ask parents to support their children to ensure that they have a routine at home around ensuring their slates are charged every night. The process is that we can put them on the super charger at school for 20 minutes and then we will offer support for charging the slates at home during lunchtime for 20 minutes.

UPCOMING EVENTS:
Sports are coming up quickly for many Year 7 and 8 students who have signed up. Training commenced last week during PE classes. In the coming weeks up until their game day, students will be expected to train for some sports at lunchtimes. Students must attend these training sessions to be selected for the sport they committed to. We look forward to the same fun, involvement and positive sporting behaviour that we always experience.

Ms Michelle Roth
Year 7 & 8 Learning Community Leader.

INFORMATION FOR PARENTS
YEAR 7 AND YEAR 9 NAPLAN
The National Assessment Program – Literacy and Numeracy (NAPLAN) 2016 for Years 7 and 9 students will be held on Tuesday 10 May, Wednesday 11 May and Thursday 12 May. NAPLAN tests assess student knowledge and skills in Writing, Reading, Language Conventions (spelling, grammar and punctuation) and Numeracy. Later in the year, parents will receive their child’s individual NAPLAN report. The report will describe the child’s particular skills in Reading, Writing, Language Conventions (spelling, grammar and punctuation) and Numeracy, and performance in relation to national minimum standards.
The results of the tests provide information for students, parents, teachers and principals on student progress in these areas. The teachers at Western Heights College use this data to plan for students learning at an appropriate level and improve student achievement. Our teachers also use the results report to conference with individual students their achievement and future learning goals.
All students in Years 7 and 9 are expected to participate in the NAPLAN tests, with catch-up tests for individual students who are absent on test days, up to and including Friday 13 May 2016. Exemptions may be granted in certain circumstances and requires parent consent. Please contact Robyn Anderson, Middle Years Principal, at the college to discuss this or other queries regarding the testing.
For more information about the tests, please visit the VCAA website at www.vcaa.vic.edu.au or the NAP website at www.nap.edu.au

Robyn Anderson
Middle Years Principal
Year 9 students are to be congratulated for their excellent start to Term Two. Students have commenced their three new Personal Choice subjects for the term. Students have adapted well to the change in class times and are enjoying their extended recess. The Geelong Tertiary Futures Program has started back last week in full flight. Students continued their skill and knowledge building around different work environments preparing them for their lives ahead. The attached photo is an example of a team oriented activity where the objective was to test different designs to build the tallest structures.

CROSS COUNTRY:
The College Cross Country will take place on Wednesday, May 4 from 11:00am. All Year 9 student are encouraged to have a go at running the course, this is another fun day for our students.

UNIFORM AND LOCKERS:
A reminder that students are required to wear black polishable shoes, black material shoes or runners are not correct college uniform. Students are able to wear their correct P.E. uniform on Tuesday’s only, or when they have a practical personal choice session on that day. All students require a lock on their lockers which they can be purchase from the College Office for $12.00.

NAPLAN:
Testing will occur during the second week of May all Year 9 students will be completing Literacy and Numeracy testing over 3 sessions.

Mr Roger Conron
Year 9 Learning Community Leader.

The Year 10 Silver Duke of Edinburgh class participated in their Practice Adventurous Journey Trip at the end of term one.
The group practiced their camping, bushcraft and bushwalking skills in a range of natural environments: lake, beach, river and bush. The group also participated in some fabulous surfing sessions. The students are now ready to tackle their Bushwalking Qualifying Trip next week. The Adventurous Journeys are just one of the requirements towards completing their Silver Duke of Edinburgh Award.

Mr Beasley
Duke of Edinburgh Teacher

Mr Roger Conron
Year 9 Learning Community Leader.
Year 11 News

Welcome back to what will be an eventful term and busy term two for our Year 11 students.

Firstly, I was pleased to find out that two of our students Sharnae Kelly and Kate Stephens were both selected to travel with Senior Andy Britton and his VicPol team to trek Kokoda late in Term 3. For the past three years we have had one student make this life changing trip. This year having both Sharnae and Kate joining the team is excellent and the hard work they will undertake will be more than worth it. We will keep you updated with their preparation over the next few months.

I must also mention Mr Nathan Feldman and the VCAL students’ great work on developing a kitchen garden near the PAF centre. Currently they are making garden beds, building a fence and laying foundations for a wood fired pizza oven. Over the weeks I have watched the VCAL team apply their learning outcomes in developing this area and it really is impressive.

During this term, it is not uncommon for students to begin to develop the first signs of stress. If you feel that this is the case at home there is a few “habits” that can minimise this stress that you can help develop:

- **Homework** – VCE students will always have homework. Revising work, skill building and preparation for assessment tasks is a must for all successful students. Students should get into the habit of doing around 7 hours per week. Any less is simply not enough and puts the student behind the eight ball.

- **Organisation** – being organised is important. Each student should have a study planner and all work requirements should be added. Spending time each week prioritising work will also reduce stress.

- **Sleep** – getting enough sleep is important for the adolescent brain to work at its maximum.

- **Water** – dehydration reduces the brains ability to work effectively.

- **Activity** – being active releases hormones into the body that reduces anxiety.

This term also contains the General Achievement Test for all students doing Unit 3 and 4 subjects, mid-year exams for all Unit 1 subjects and various sports carnivals.

Mr Brett Bullock
Year 11 Learning Community Leader.

Year 12 News

INFORMATION EVENING:
Late last term Western Heights College hosted an Information Evening for Year 6 students and their families. It was wonderful to have twenty of our Year 12 students volunteer to act as ambassadors for this event. They assisted in a variety of roles including tour guides, presenting science experiments, chefs and public speakers. Congratulations to each of these students and many thanks for making such a valuable contribution to our college community. I would like to acknowledge the efforts of each of the following students.

SWOT - WORKSHOPS:
Last term representatives from the University of Melbourne SWOT team facilitated workshops at Western Heights College. The feedback from these sessions was positive, with the majority of participants recommending them to others. Congratulations to those students who attended. More of these workshops will be scheduled in Term 2. Details will be web messaged to students and will also be listed as an announcement on the homepage.
TERM BREAK – WORKSHOPS:
A number of workshops were offered in the term break with the intention of supporting student achievement. Students attended sessions for English, Specialist Maths and Maths Methods. Well done to those students who participated and thank you to the staff Mrs Tyzack, Mr Edmonds, Ms Luckman and Mr McKeon for their efforts.

MORNING TEA:
In the last week of Term 1 the Year 12 Learning Community celebrated all of our “March Birthdays”. This included an Easter egg raffle that raised funds for the Royal Children’s Hospital. It was terrific to make a $50 donation to this cause on behalf of our community. Congratulations to the winners, Mrs Day, Matt and Teisha.

ENGLISH ORAL ASSESSMENT:
The Year 12 English oral assessments are scheduled for Wednesday April 27th, Thursday, April 28 and Friday, April 29. Each student has been allocated a time for their presentation. Please note that English classes will not run on these days, students have IRP during this time. If you have any questions please do not hesitate to contact our Year 12 English team Mrs Tyzack, Ms Luckman or Mr Edmonds. Best wishes to all students for this assessment.

Welcome to Term 2! and indeed it is term 2. It was marvelous to be able to pause over Easter and take a break, however we are excited to be back and working with you all. There is a lot happening this term (as always)

- Friday was our ANZAC Service. It is a significant event on our college calendar and a day we pay respect to the soldiers who gave their lives for our country.
- Our Year 9 students will continue this term to experience the wonderful opportunity being offered at Geelong Tertiary Futures Program. The students are getting wonderful opportunities in fields such as Bricklaying, Electrical and Child Care. This is a unique opportunity and sets our college apart.
- Our College Cross Country will be run along the Barwon River this term. All students will be involved and it will conclude with a BBQ lunch.
- Our Winter Sports Program begins this term. Our students will be competing in Football, Netball, Badminton and Soccer. This is a fantastic opportunity for our students to represent our college and have fun.

We also remind you about attendance. Yes, it is in again, and a firm part of the agenda. Please be here. We are still willing and always will be willing to go over and above to assist you and your student be here and engage in their learning. We are not going to relent on this.

Please, if you are finding it hard to be at school, if you have a friend who seems to be absent continually, or if you are a parent/caregiver and feel at your wits end getting your student here – we are here to support you! Please get in contact with us, your student’s mentor or a member of the principal team. You will be pleasantly surprised as to what lengths we will go.

We have a beautiful school, and we have some of the best facilities in the state. There is no school like ours, and there will be no school built like wise – be proud of this, but more importantly, be excited. It is a privilege we get to share, and we get to use.

We wish you all a wonderful fortnight and remind you we are here to support you all in your engagement in school.

Ms Kerrie Hammond
Year 12 Learning Community Leader.

Mr Paul Rogers
Wellbeing & Engagement Leader.
The aim of the careers news is to keep students and families informed about pathways information and forthcoming careers events at Western Heights College.

YEAR 12 MIPS
The Year 12 MIPs will begin on Thursday April 28th in the MIPs office in the College Office building. The Year 12 VCAL students are the first group of students to have their meeting scheduled. Letters with the details of each meeting have been posted to each family. Parents/Guardians are encouraged to attend these meetings. Year 12 VCE students will have their MIPs meeting scheduled later in the term and details will be communicated in due course. If you have any questions please do not hesitate to contact Mrs Hammond or Mrs Day.

VCE/CAREERS EXPO
The Victorian Careers Expo is fast approaching. This event brings together exhibitors from all around the state aiming to assist VCE students to make informed pathways choices. There is also a broad program of workshops. It takes place at Caulfield Racecourse on: Thursday 5 May, Friday 6 May from 9am-3pm and Saturday 7 May and Sunday 8 May, 10am-4pm
Further details in relation to this event can be found at: http://www.vceandcareers.com.au/

WHAT ARE SOME OF MY ALTERNATIVES UPON LEAVING SCHOOL?
One option is university study. Research shows that those who have a university degree are on average) less likely to be unemployed and are likely to earn more during their lifetimes than those who do not. Others will want to complete a vocational course (VET) like hospitality, childcare or graphic design. Another significant group will enter a trade by completing an apprenticeship or traineeship in areas such as plumbing, carpentry, mechanics, refrigeration or office administration. Those entering employment with no study plans need to understand that their career options and earning capacity are likely to be limited in the long term. Qualifications are VITAL.

Thinking of University? There are nine in Victoria:
- Australian Catholic University (ACU) has campuses in Fitzroy and Ballarat. It is a small but growing university, publicly funded, open to those of any or no faith.
- Deakin University’s main campus is in Burwood, but it also has campuses in Geelong and Warrnambool. It is a large university offering a very broad range of degrees.
- Federation University has campuses in Ballarat and in Gippsland. It is a fairly small university serving two rural communities.
- La Trobe University’s main campus in in Bundoora, but it also has campuses in Albury-Wodonga, Bendigo, Mildura and Shepparton. It is a large university.
- Monash University is very large; its main campus is in Clayton, but it also has campuses in Berwick, Caulfield, and Frankston (Peninsula Campus) (also in Malaysia and Prato in Italy).
- RMIT is a large dual-sector institution (a VET provider as well) in the City, with other campuses in Brunswick and Bundoora.
- Swinburne is also a dual-sector provider with a university campus in Hawthorn, and VET campuses in the City, Croydon, Hawthorn and Wantirna.
- The University of Melbourne is the oldest University, its main campus being in Parkville. It also has specialised campuses in Burnley, Creswick, Dookie, Shepparton, Southbank and Werribee.
- Victoria University’s main campus in in Footscray, but it also has campuses in the City, Melton, St Albans, Sunshine and Werribee. VU is a university and a VET provider.

NOTE: Charles Sturt University is sometimes listed with Victorian Universities. It is in fact a NSW Institution with a campus on the Victoria/NSW border at Albury-Wodonga.

There are many providers of vocational education (VET) such as Bendigo TAFE, Box Hill Institute, Gordon, Holmesglen, Kangan, Melbourne Polytechnic, RMIT, Swinburne and VU.
With so many institutions available it is important that you do some research during senior years at school. This includes attending Open Days, Career Expos, school holiday programs and so on.

Representatives from these organisations will be in attendance at Western Heights College during Term 2 and 3. Specific details will be placed in announcements on the intranet homepage and also web-messaged to student.

COLLEGE ABSENCE LINE
Please phone 5277 1177 to report all student absences and select option two.
On Tuesday, Years 8, 9 and 11 & 12 VCAL attended a free community roadshow travelling throughout Victoria. The roadshow, operating from our wonderful Performing Arts Centre, aims to educate students about World War I history, also encouraging them to discover their own personal connections, and inspire an interest in our history as a nation. The roadshow included storytelling, live theatre performances, video and interactive content, and each student attending received an ANZAC Centenary Commemoration Pack, which contains a brief history of Victoria’s contribution to the war effort, profiles of Victoria Cross recipients and a small token of remembrance.

The performance gave students an insight into Australia’s involvement in World War I, and the ensuing century of service of Australia’s armed services in all wars, conflicts and peacekeeping missions in which Australia was involved. It gave personal accounts from the diaries of soldiers and nurses on the battlefront, and of life at home during the war years.

A highlight of the event was a personal contribution from Mr. Earl Gee, a retired Australian soldier who was deployed to a number of countries on peacekeeping operations for over twenty years. Earl is now the President of the Vines Road Senior Citizens Club, and works with our College students in many of their education.

Speaking to students after each performance, there were many positive comments about the roadshow, and in particular about the pride it gave them in the soldiers who fought so hard for our freedom.

Kerrie Sirotich
College Librarian
FRENCH WORK BOOKS
The Year 7, 8 & 9 French Workbooks are available from the College Office for $20.00.

CAMPS, SPORTS & EXCURSIONS FUND (CSEF)
CSEF will be provided by the Victorian Government to assist eligible families to cover the costs of school trips, camps and sporting activities.

If you hold a valid means-tested concession card or are a temporary foster parent, you may be eligible for CSEF. The allowance will be paid to the school to use towards expenses relating to camps, excursions or sporting activities.

How to Apply:
Application forms are available from the college office or download from: www.education.vic.gov.au/csef.

SMS APPROVAL
The College is trialling a new initiative to improve communications with our families regarding upcoming events and activities.

Parents can complete an approval form at the college office to be included in this new form of communication.

BIG SCIENCE COMPETITION
This term, the Science Department will provide an opportunity for Year 7 students to challenge themselves in the Big Science Competition. This 50 minute international competition is open to students of all abilities. Questions test students' critical thinking and problem-solving skills as well as their science knowledge.

Each student who takes part will receive a certificate as well as detailed feedback on their performance in the competition. They also go into a draw to win hundreds of iTune, Google Play and movie vouchers.

Our school will receive a comprehensive report for each paper level showing how each student performed on each question, the percentage of students in the cohort who answered correctly, and a comparison with the national results.

The Big Science Competition will be held in school between 18 and 25 May 2016.

The Big Science Competition is organised by Australian Science Innovations, a non-profit organisation committed to providing high quality science extension programs that inspire, challenge and raise the aspirations of students in science.
